SAFETY DATA SHEET

Issue Date 03-Jun-2015

Revision Date 03-Jun-2015

Version 1

1. IDENTIFICATION OF THE SUBSTANCE/PREPARATION AND OF THE COMPANY/UNDERTAKING

Product identifier Product Name

Cirrus Syn PG 460

None

Other means of identification Product code: Synonyms

Recommended use of the chemical and restrictions on useRecommended UseLubricant.Uses advised againstNo information available

Details of the supplier of the safety data sheet Supplier Address BlueSky Lubricants 375 Stewart Rd Hanover TWP, Pennsylvania 18706 Phone: (570) 822-1151 Fax: (570) 823-1940

Emergency telephone number Emergency Telephone

2. HAZARDS IDENTIFICATION

Classification

OSHA Regulatory Status

This chemical is not considered hazardous by the 2012 OSHA Hazard Communication Standard (29 CFR 1910.122)

Not a dangerous substance or mixture according to the Globally Harmonized System (GHS)

Label elements

EMERGENCY OVERVIEW

Not Classified

Signal word

Hazard statements None

The product contains no substances which at their given concentration, are considered to be hazardous to health

Appearance Oil

Physical state Liquid

Odor Mild

Eyes None Skin None Inhalation None Ingestion None Hazards not otherwise classified (HNOC) Other information • Harmful to aquatic life with long lasting effects

3. COMPOSITION/INFORMATION ON INGREDIENTS

The product contains no substances which at their given concentration, are considered to be hazardous to health.

Components	CAS-	No	Weight %	Trade Secret
Polyalkylene Glycol	Proprie	tary	80 - 100%	*
	4. FIRST A	ID MEAS	URES	
First aid measures				
Eye contact:	Rinse immediately with symptoms persist, call		ater, also under the eyelids, fo	or at least 15 minutes. If
Skin contact:	Wash off immediately with soap and plenty of water. If skin irritation persists, call a physician.			
Inhalation:	Move to fresh air in cas physician.	se of acciden	tal inhalation of vapours. If sy	mptoms persist, call a
Ingestion:	1 5		e vomiting without medical ad appear, consult a physician.	1
Most important symptoms and effects, both acute and delayed				

Symptoms No information available.

Indication of any immediate medical attention and special treatment needed

5. FIRE-FIGHTING MEASURES

Suitable extinguishing media:

Water. Dry chemical. Carbon dioxide (CO2). Foam.

Unsuitable extinguishing media No information available **Specific hazards arising from the chemical** In the event of fire, cool tanks with water spray.

Explosion data

Sensitivity to Mechanical Impact None. Sensitivity to Static Discharge None.

Special protective equipment for firefighters:

As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures

Personal precautions:

Contaminated surfaces will be extremely slippery. Use personal protective equipment.

Environmental precautions

Environmental precautions:	Do not flush into surface	Do not flush into surface water or sanitary sewer system.		
Methods and material for contain	nment and cleaning up			
Methods for containment	Prevent further leakage	Prevent further leakage or spillage if safe to do so.		
Methods for cleaning up:	Absorb spill with inert ma container.	Absorb spill with inert material (e.g. dry sand or earth), then place in a chemical waste container.		
	7. HANDLING	AND STORAGE		
Precautions for safe handling				
Handling		r spray mist. Spilling onto the con I contact with eyes and skin.	tainer`s outside will make	
Conditions for safe storage, incl	uding any incompatibilities			
Storage Conditions	Keep containers dry and	tightly closed to avoid moisture a	absorption and contamination	
8. 1	EXPOSURE CONTROL	S/PERSONAL PROTECTI	ON	
Control parameters				
Exposure Guidelines		Contains mineral oil, vegetable oil, and/or synthetic oil. Under conditions which may		
Appropriate engineering control	generate mists, observe the OSHA PEL of 5 mg/m ³ , ACGIH STEL of 10 mg/m ³ .			
Engineering measures to reduce exposure:	e Ensure adequate ventila	Ensure adequate ventilation, especially in confined areas.		
Individual protection measures,	such as personal protective	e equipment		
Respiratory protection:	In case of mist, spray or protective suit.	aerosol exposure wear suitable p	personal respiratory protection and	
Hand protection: Eye protection: Skin and body protection:	against this potential effe	Safety glasses Usual safety precautions while handling the product will provide adequate protection against this potential effect		
General Hygiene Considerations	Avoid contact with skin,	eyes and clothing		
	9. PHYSICAL AND C	HEMICAL PROPERTIES		
Information on basic physical ar	nd chemical properties

Information on toxicological effects

Delayed and immediate effects as well as chronic effects from short and long-term exposure

Sensitization Mutagenic effects: Carcinogenicity	No sensitization responses were observed. Did not show mutagenic or teratogenic effects in animal experiments. This product does not contain any carcinogens or potential carcinogens as listed by OSHA, IARC or NTP.
Reproductive toxicity	This product does not contain any known or suspected reproductive hazards.
STOT - Single Exposure	None under normal use conditions.
STOT - Repeated Exposure	None under normal use conditions.
Aspiration hazard	Not applicable.

Numerical measures of toxicity - Product Information

The following values are calculated based on chapter 3.1 of the GHS document .

ATEmix (oral)	25651 mg/kg
ATEmix (dermal)	21794 mg/kg
ATEmix (inhalation-dust/mist)	330 mg/l

12. ECOLOGICAL INFORMATION

Ecotoxicity

Harmful to aquatic life with long lasting effects

0.39115% of the mixture consists of components(s) of unknown hazards to the aquatic environment

Persistence and degradability No information available.

<u>Bioaccumulation</u> No information available.

Mobility Soluble in water.

13. DISPOSAL CONSIDERATIONS

Waste treatment methods

Disposal of wastes Disposal should be in accordance with applicable regional, national and local laws and regulations.

Contaminated packaging Do not reuse container.

14. TRANSPORT INFORMATION

DOT

Not Regulated by any means of transportation

15. REGULATORY INFORMATION

International Inventories

TSCA:	Listed in TSCA
DSL:	All of the components in this product are listed in DSL
EINECS/ELINCS	This product complies with EINECS/ELINCS
CHINA:	This product complies with China IECSC.
KECL:	This product complies with Korea KECL.
PICCS:	This product complies with Philippines PICCS.
AICS:	All the constituents of this material are listed on the Australian AICS

Federal Regulations

SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product does not contain any chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

SARA 311/312 Hazard Categories

Acute Health Hazard	No
Chronic Health Hazard	No
Fire Hazard	No
Sudden release of pressure hazard	No
Reactive Hazard	No

CWA (Clean Water Act)

This product does not contain any substances regulated as pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

CERCLA

This material, as supplied, does not contain any substances regulated as hazardous substances under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302) or the Superfund Amendments and Reauthorization Act (SARA) (40 CFR 355). There may be specific reporting requirements at the local, regional, or state level pertaining to releases of this material

State Regulations (RTK)

California Proposition 65

This product does not contain any Proposition 65 chemicals

U.S. State Right-to-Know Regulations

U.S. EPA Label Information

EPA Pesticide Registration Number Not applicable
