

Coastal[®] 2 Stroke 50:1 Oil

COASTAL 2 STROKE 50:1 OIL is manufactured with highly refined base oils and an additive package containing performance-proven ashless dispersant-detergents. This oil has been formulated to minimize spark plug fouling, plugging of valve ports, ring sticking, rusting, corrosion, and high temperature oxidation.

COASTAL 2 STROKE 50:1 OIL is recommended for use in all air cooled two-cycle engines. Meets the requirements of API TC classification.

Benefits

- Meets the requirements of API TC
- Mixes readily with gasoline
- Dyed for easy identification
- Provides rust and corrosion protection
