Bear Paw Hand Cleaner

is a non-toxic, non-hazardous, 100% biodegradable and petroleum free hand cleaner that REALLY works. Even though it's tough enough for industrial use, it's also gentle enough to keep by the kitchen sink.

Bear Paw Hand Cleaners deep cleaning action removes dirt, grease, grime, paint, ink, tar, adhesives, varnish and virtually everything else from hard working hands.

Bear Paw Hand Cleaner is used by the automotive, airline, marine, railroad, printing, mining and jewelry industries among many others. It is also used at home by people who work in their garages, gardens and on DIY projects. It's even safe enough for children.

Bear Paw Hand Cleaner is water activated, so it not only cleans your hands, but your sinks and drains as well. This helps to prevent clogs and greasy build up, a common side effect of petroleum and solvent based cleaners.

Does NOT contain any harsh chemicals that dry out your skin. There is no lanolin or oils added to our product. This means clean hands with NO greasy residue.

Available in: 12 oz, 18 oz, 40 oz, 4 lb containers and 20 lb/ five gallon buckets.
