

# PROTECTION FIRST CLASS

## THE ULTIMATE RUST PROTECTION

Developed after months of research and testing, Protection First Class is a unique lanolin based rust preventative, lubricant and penetrant. Its superior formula is the best way to protect cars, trucks, equipment, and heavy machinery from corrosive roadway treatment chemicals and harsh operating conditions. Don't let your vehicle or equipment fall victim to rust and corrosion. Protect it with **PROTECTION FIRST CLASS**

The left half of the vehicle shown was treated with Protection First Class prior to a harsh winter in the Northeast. The right half remained untreated. The pictures show the vehicle's condition the following spring. The results are clear. Protection First Class is the Ultimate Rust and Corrosion Protection!
