

Coastal[®] SL Passenger Car Motor Oils

COASTAL SL PASSENGER CAR MOTOR OILS are formulated with highly refined base oils combined with a carefully selected additive package to provide maximum protection against wear, rust, corrosion, oxidative thickening, acid formation, sludge and varnish deposits for high viscosity applications.

COASTAL SL PASSENGER CAR MOTOR OILS meet API Service Category SL, SJ, and SH. Recommended for automotive gasoline engines, including those equipped with superchargers, used in passenger cars, light trucks, power boats, motorcycles and other mobile and stationary equipment. **COASTAL SL PASSENGER CAR MOTOR OILS** also give excellent performance in engines operating on LPG fuel.

COASTAL 20W-50 is specially engineered for high temperature, high rev., high performance engines. **COASTAL 20W-50** helps to protect turbo charger bearings against high temperature seizing, and scorching.
